MEMORANDUM FOR: Deputy Director of Security

SUBJECT: Commendation

1. As you are aware, the [redacted] of our Insurance and Casualty Division is often in contact with the next of kin of deceased Agency personnel and other individuals in connection with various administrative matters.

2. On one of these occasions, a private citizen spoke very highly of representatives of the Office of Security who have been assisting him on various problems. Two individuals have been specifically identified in this connection, Messrs. Edmund K. Klipa and [redacted]. The expressed feeling was that both of these individuals performed services and rendered assistance far above and beyond any official duties that may have been imposed upon them.

3. While all of your [redacted] personnel have been referred to in the very finest way, these two individuals have been singled out and appear to be exceptional instances.

4. As you may also know, Mr. Klipa has provided very valuable assistance to representatives of the [redacted] on many occasions. This instance of recognition of his services is merely cumulative in nature.

5. I am sure you will be pleased to receive this information and, assuming that you will have no security objection to my doing so, I propose to include a copy of this memorandum in the official personal folders of Messrs. Klipa [redacted].
